

## PANTRY MAKE UP DAYS DUE TO WEATHER-RELATED (NOT COLD) SCHOOL CLOSINGS

In an effort to ensure households in need of food are able to access the pantry in a timely manner after weather related school closings, we have implemented the following **emergency** availability.

1. If schools are closed on a Tuesday due to weather (not cold), you may come in on the next open pantry day (Thursday 3:30 to 6:00 PM) (**provided schools are not closed**).
2. If Pantry is closed on a Thursday, due to weather related school closing (not cold), you may come in the following Tuesday 8:30 AM to 11:30 AM (**provided schools are not closed**).
3. If you are in a critical food emergency and we are not open, contact your local church (for a food box); Caritas @715-356-9989 or 211 United Way.

Emergency days will be posted on WSAW/WZAW Channel 7 for closings.

Households can then come in on their normal scheduled day to get back on track.
